---

**INTERDEPARTMENTAL COMMUNICATION**

**To:** Don P. Johnson, Town Manager

**Date:** October 3, 2003

**From:** Engineering Department

**Subject:** Keyspan Energy, Liberty Street

---

We have reviewed the petition from Keyspan Energy Delivery to install approximately 60 feet of 2-inch gas main in Liberty Street starting at the existing main at house #83 and ending in front of the driveway for house #85. We have the following comments concerning the petition:

1. The final pavement patch should be done by the "grind and inlay method" recently used by Keyspan on Piper Road and Hayward Road.
2. A Permit to Construct within a Public Way will need to be obtained from this department prior to starting work. As part of this work, Keyspan will need to arrange police details with the police department.

We do not foresee any problems with granting this petition. If you have any questions, or need additional information, please let us know.

**PETITION OF KEYSpan ENERGY DELIVERY FOR GAS MAIN LOCATIONS**

**Town of Acton / The Board of Selectman:--**

The Keyspan Energy Delivery hereby respectfully requests your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the **Town of Acton** and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

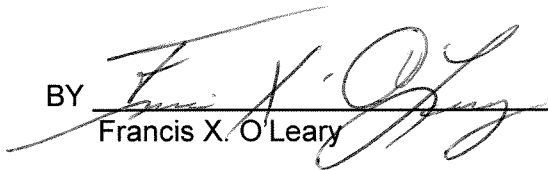

**To install and maintain approximately 60 feet, more or less of 2 inch gas main in Liberty St., Acton.**

**From the existing 1 ¼ inch gas main in Liberty St @ house No 83 Southerly to house No 85.**

**Submitted is a set of plans of said gas mains.**
